

SPECIFICATION SHEET

SILVERTOP ASH.

Silvertop Ash is a durable hardwood with soft, silvery hues and a sleek, straight grain, perfect for creating effortlessly modern outdoor spaces. Naturally fire-resistant and built to endure, it brings both beauty and confidence to any design.

/ FEATURES /

-  **DURABILITY**
A strong, naturally durable Australian hardwood, Silvertop Ash performs reliably in harsh outdoor environments.
-  **STABILITY**
Silvertop Ash's excellent dimensional stability ensures minimal movement, keeping projects straight and uniformed over time.
-  **AESTHETIC**
Pale, silvery tones with subtle grain patterns provide a sleek, contemporary look that elevates outdoor spaces.
-  **INSTALLATION**
Silvertop Ash's consistent density and workability support efficient installation, with pre-drilling recommended for optimal fixing performance.
-  **MAINTENANCE**
Requires minimal maintenance to preserve its appearance and durability. Periodic application of a protective finish helps maintain its natural colour and shields it from environmental factors.
-  **SUSTAINABILITY**
Responsibly sourced from managed Australian forests, Silvertop Ash is suitable for long-life applications, supporting sustainable building outcomes.
